What We Do:

We aim to create high-quality WordPress themes and plugins.

Leveraging the facilities of WordPress, we always strive to build simple yet creative themes and plugins that can serve millions of WordPress users around the world.

With a bunch of creative and passionate teams of developers, designers, marketers, and support engineers, we work together to ensure the best experience for our clients.

Our Portfolios:

Popular Themes

Marketo: Marketo is one of our most popular themes for E-commerce and multi-vendor marketplaces. Featuring Kirki customizer and Unyson framework, Marketo is cross-browser compatible and easy to customize.

Sassico : Sassico is a multipurpose Sass startup agency WordPress theme. It is fully responsive and retina ready with a one-click demo import feature.

Medizco: Medizco is a simple and clean theme for medical, health, dental and skincare, hospitals, medical businesses, and pharmacy service owners. With 3+ menu styles and home pages, it offers smooth animation and parallax sections.

Agmycoo: With 20+ home pages, 105+ ready pages, 350+ awesome blocks, Agmycoo is a portfolio and agency theme for photographers, creative agency, corporate website, designers, web developers, bloggers and anyone who wants to make a personal portfolio website.

Gutentim: Gutentim is a modern and clean Gutenberg WordPress Blog theme based on the Gutenberg page builder. This theme is an ideal choice for guest post blog, niche blog, personal portfolio blog, viral blog, and whatnot.

Seocify: We have crafted Seocify keeping the SEO and digital marketing agencies in mind. With trendy iSometric design, it has both one-page and multi-page layouts.

BiziPress: Being made for finance and insurance companies, BiziPress comes with smart sliders, 20+ home variations, 9+ header layouts, and 30+ icons.

BeautyPress: Built specially built for Beauty, Spa, Salons websites. BeautyPress includes some powerful features so that you can be sure that your salon, physiotherapy or beauty spa center is getting the online attention it deserves.

Evenex: If you are looking for a theme for Event conferences, event parties, festivals, virtual Conference websites. This one will be the perfect solution for you.

More themes will found here <https://xpeedstudio.com/our-themes/>
