

COMPANY PROFILE

PC PLUS SOLUTION LTD

Executive Summary

PC PLUS SOLUTION LTD is a dynamic, multi-sector organization in Bangladesh, operating as a leading Information Technology training, service, and consultancy provider. The company is committed to developing a digitally skilled workforce while delivering innovative, technology-driven and infrastructure-based solutions across multiple industries.

Over the years, PC PLUS SOLUTION LTD has evolved into a diversified enterprise, expanding its operations into call center services, ICT consultancy, Internet Service Provider (ISP), e-commerce, media and advertising, architectural consultancy, import-export, and first-class contracting (Thikadary).

With a strong emphasis on digital transformation, freelancing development, and capacity building, the company plays a significant role in bridging the gap between traditional education and modern industry demands. PC PLUS SOLUTION LTD aims to contribute to national development by supporting both public and private sector initiatives through integrated solutions.

A decorative graphic consisting of several blue circles of varying sizes and thin blue lines that curve around the page. One large circle is on the left, another is at the top right, and a third is at the bottom right. Lines connect these circles in a circular path, with some lines ending in small blue dots.

Multi-Sector IT & Infrastructure **SOLUTION PROVIDER**

Company Background

PC PLUS SOLUTION LTD was established with the vision of promoting digital literacy and creating employment opportunities through IT education and services. Starting as a training institute, the company has grown into a multi-functional organization providing end-to-end solutions in technology, business services, and infrastructure support.

Based in Narayanganj, PC PLUS SOLUTION LTD serves individuals, businesses, and government sectors across Bangladesh, with a strong reputation for quality, reliability, and innovation.
